**Other**

**First Noticed**

**Last Noticed**

**Description** strong stench a 10 on a scale of 1-10 no wind.

jud@pacifier.com

**Action** RM-anecdotal information; At approximately 9 PM 10/28/07 I was buying fuel at the Shell station on the corner of Martin Way and Marvin Road. I observed an Ostrom's odor while fueling. When I went inside to pay, another customer came into the store. He made a "whew!" sound, then told the cashier that it was very smelly outside.
