## Additional Record for Request 2022-52

2/16/2023

Dear Ms. Mendoza,

The Yakima Regional Clean Air Agency received your public records request on 11/28/2022 for the following:

“listing of dates and times when YRCAA staff members have met with the Friends of Rocky Top (FORT) and neighbors of the DTG landfill to discuss air emissions from that landfill. I request meeting summaries and shared documents from those meetings. I request the results of YRCAA and WA State Dept. of Ecology air sampling related to the DTG landfill. The time frame is January 1, 2020 to the present.”

An extensive search of agency records revealed no public records responsive to the first portion of your request. Attached you will find the results of Ecology's air sampling. There will be no charge for these records. As a result, this agency considers this request fulfilled and closed as of the date mentioned above.

If you have any questions concerning your request, please contact me at 509-834-2050, ext. 102 or by email at [pro@yrcaa.org](mailto:pro@yrcaa.org).

Sincerely,

*Pamela Herman*
